### TRANSIT SUPPORTIVE AREAS AND ROUTES

Where is there enough population and/or employment density to support transit?

- GREEN AREAS Density supports transit and there is service
- GOLD AREAS Density supports transit, no service
- WHITE AREAS Not enough density to reasonably support transit

#### TRANSIT IS IMPORTANT TO THE COMMUNITY

Responses from March 2023 Community Survey

Transit contributes to quality of life in the 68% 21% Waterloo/Cedar Falls area Transit contributes to the economic health of 65% 24% the Waterloo/Cedar Falls area Current MET service meets my travel needs 29% 24% 37% It is important for the community to provide 7% public transit Strongly agree ■ No opinion Disagree Strongly disagree Agree
